

2017 Healthy Kids, Healthy Families® Programs

Organization	Project Title	Program Summary
A Chance to Change Foundation Oklahoma City, OK http://www.achancetochange.org	A Chance to SUCCEED	The SUCCEED program focuses on substance use prevention, early intervention, and education of middle and high school students. Staff works with groups of students on a weekly basis, providing education about the negative effects of drugs and alcohol upon their lives and the lives of their family. Counselors and graduate-level students work with teens who are currently using drugs and alcohol or are showing signs of use, to move them into recovery and a sober life. The purpose of this program is to increase a teen's chance of graduation, reduce their risk of incarceration, and increase their chance of obtaining a higher education. □
A Safe Haven Foundation Chicago, IL http://www.asafehaven.org	Building Healthy Foundations	The Building Healthy Foundations program addresses the root cause of homelessness with a goal to improve health outcomes for homeless children and their families. Home visitors and an on-site team of health professionals provide families with access to health and wellness resources such as developmental assessments; health care screenings; access to primary health care; behavioral health counseling; chronic disease management; and substance abuse treatment.
Abrazos Family Support Services Bernalillo, NM http://www.abrazosnm.org	Community-Based Health and Wellness Activities for Children with Disabilities	Abrazos has two programs funded by this grant. One program is for infants and toddlers with developmental delays/disabilities and the other is a recreational respite program for children diagnosed with Autism Spectrum Disorder. The long term goal of both programs is to provide opportunities for children with developmental delays/disabilities to engage in healthy activities in their community and help the families learn ways to support their children's overall health and well being.
Adelante Development Center, Inc. Albuquerque, NM http://www.goadelante.org	Wellness Referral Center	The Wellness Referral Center connects children from disadvantaged populations to resources that will improve wellness and reduce the risk of chronic diseases in partnership with their health providers. These resources include asthma management classes, physical activity opportunities, and cooking for wellness classes.
American Lung Association Houston, TX http://www.lung.org	Enhancing COPD Care for Texans	The Enhancing COPD Care for Texans program will replicate proven programs to significantly improve care and health outcomes and reduce health care costs for people with COPD. Through a comprehensive approach to COPD management in central Texas, the program will improve the health outcomes by assuring early diagnosis and improve home indoor air quality; reduce COPD-related emergency department visits and hospitalizations; and reduce COPD-specific and all-cause readmissions.
American Lung Association Chicago, IL http://www.lung.org	Enhancing Care for Children with Asthma in Illinois, Montana, Oklahoma, New Mexico and Texas.	Since 2012, the Enhancing Care for Children with Asthma program has engaged 151 health centers that serve high-risk asthma patients. The program has reached an estimated 640,826 people through trainings and community education. The American Lung Association also provides home visits for patients who suffer from poorly controlled asthma. Asthma educators visit the home to identify and remove environmental triggers, including carpet, dust and some cleaning products. To date, they have conducted more than 160 home assessments.
American Red Cross of Greater Chicago Chicago, IL http://www.redcross.org/chicago	Home Fire Campaign	The Home Fire Campaign addresses the alarming number of home fires devastating lives in Illinois and across the country. The Campaign focuses on populations more vulnerable to home fires, youth, elderly and low-income residents, providing lifesaving fire prevention and preparedness information and tools. □
Arubah Community Clinic Association Collinsville, OK http://arubahclinic.com	Expansion and Refinement of Dental Care for Arubah Patients	This grant will support expanded dental services for un(der)insured patients at the Arubah Community Clinic. A patient needing care with the current model might have to wait upwards of a month to see a dentist. The goal is to partner with area dentists who will agree to see a set number of patients each month in their offices for dental care -- thus decreasing wait time and doubling the number of patients seen.

Asian Health Coalition of Illinois Chicago, IL http://www.asianhealth.org	Mending the Safety Net: A Community-Clinic Collaboration to Improve Access to Ambulatory Care for Underserved Asian Americans	Mending the Safety Net: A Community and Clinic Collaboration to Improve Access to Ambulatory Care is the first clinic community collaboration in Chicago's Asian communities. Funding will help create sustainable and effective partnerships between community-based organizations and community health clinics to improve access to preventive and chronic ambulatory care services.
Bexar County Community Health Collaborative San Antonio, TX http://www.healthcollaborative.net	Pathways Community HUB to Manage and Prevent the Onset of Chronic Kidney Disease in Bexar County and in the Rio Grande Valley, Texas	This grant will fund the planning, development, and operation of a pathways community HUB in Bexar County and Rio Grande Valley, Texas. Through the HUB, community health navigators will help individuals identified with chronic kidney disease or at risk for chronic kidney disease to address their health-related social needs, which can have a significant impact at preventing or slowing down the progression of their disease.
Beyond The Ball NFP Chicago, IL http://www.beyondtheball.org	Project Play	<input type="checkbox"/> Project Play is a community play program which takes place once a week on a local school campus from June to August and creates a safe space for youth and families to play, be active, and have fun. The program engages 500-700 participants each week. With the help of over 35 teen volunteers, they facilitate a variety of fun and engaging games/activities from traditional sports to backyard games for the whole family to participate. The relationships that are formed and the
Bridge Teen Center Nfp Orland Park, IL	Healthy Living Programs for Teens	The Bridge Teen Center's Healthy Living Programs help teens develop and maintain healthy minds and bodies and promote overall wellness. Healthy Living Programs are "beginner" programs designed specifically for teens to increase self-image, provide outlets for stress and educate students about making better dietary choices.
BUILD, Inc. Chicago, IL http://www.buildchicago.org	Mental Health Impact Program (MHIP)	The Mental Health Impact Program (MHIP) addresses the mental health and substance abuse needs of high-risk youth through: ongoing training of staff to identify mental health and substance abuse issues and provide frontline support; short-term individual treatment and group therapy services; establishing mental health and substance abuse referral partners; facilitating external referrals for more intensive treatment; and providing mental health services for staff, including a wellness check-in component.
Caring for Children Foundation of Texas, Inc. Dallas, TX http://www.carevan.org	Statewide Mobile Immunization Outreach	This grant will provide general operations funding to aid with current and future projects to help improve health outcomes for Texas children. <input type="checkbox"/>
Casa De Peregrinos Inc Las Cruces, NM http://www.casadeperegrinos.org	Rural Food Initiative	<input type="checkbox"/> average of 80 pounds of nutritious food: fresh produce, staples, good sources of protein and other available products on a monthly basis to low income rural families.
Center on Halsted Chicago, IL http://www.centeronhalsted.org	Youth Strategy Housing Initiative	Center on Halsted's (COH) Youth Program seeks to support Chicago's homeless lesbian, gay, bisexual, transgender and queer youth community ages 13 to 24 by providing case management and linkage to healthcare and wellness programs. COH staff supports unstably-housed young people by providing youth with case management and wraparound services.
Central Texas Food Bank Austin, TX www.centraltexasfoodbank.org	Food Bank Operating Support	These funds will support the general operating expenses of Capital Area Food Bank of Texas, the largest hunger relief organization in the Central Texas region and will provide 120,000 meals for hungry families in the Central Texas region.
Chicago Botanic Garden Glencoe, IL http://www.chicagobotanic.org	Windy City Harvest Food as Medicine	The Food as Medicine partnership between the Chicago Botanic Garden and Lawndale Christian Health Center increases the availability of fresh produce in food-insecure communities; educate low-income youth and patients with diet-related illnesses about nutrition and healthy living; engage physicians in nutrition education and a VeggieRx program; and trains 250 individuals in sustainable urban agriculture while placing 40 people in jobs.

<p>Children's Grief Center of New Mexico, Inc. Albuquerque, NM http://www.childrensgrief.org</p>	<p>Bereavement Support Groups</p>	<p>The Children's Grief Center of New Mexico grant will support 25 bereaved youth with a year of grief support services.</p>
<p>Childrens Medical Research Inc Oklahoma City, OK http://www.okchf.org</p>	<p>REACH Conference</p>	<p>This grant will assist in bringing the REACH institute to Oklahoma. This training will be presented to a group of physicians who would be able to take their gained expertise back to their communities to train other physicians. Training these physicians would help other physicians across the state to provide an even higher level of specialized care to patients in their communities.</p>
<p>Chinese American Service League Chicago, IL http://www.caslservice.org</p>	<p>CASL's Youth Development Program</p>	<p>The Youth Development Program concentrates on the following core domains: mental health, social-emotional development, stress reduction, peer network building, physical health and providing a safe space for youth. The program is a critical resource for disadvantaged immigrant Chinese youth.</p>
<p>Community Food Bank of Eastern Oklahoma Inc. Tulsa, OK http://okfoodbank.org</p>	<p>Clinic Pantry Program</p>	<p>The Clinic Pantry Program will improve the health of low-income individuals and families suffering from health issues by providing fresh produce at health clinics in the Tulsa area. □</p>
<p>Community Health Connection Inc Tulsa, OK http://www.communityhealthconnection.org</p>	<p>Uninsured Pediatrics</p>	<p>Community Health Connection, Inc. provides quality, accessible healthcare to children with no third-party healthcare coverage.</p>
<p>Community Renewal Of Pottawatomie County Inc Shawnee, OK http://communityrenewal.org</p>	<p>Year One Friendship House Startup</p>	<p>Friendship House helps neighbors rebuild the infrastructure of their neighborhood and fosters beneficial relationships by working with local youth and adults. This grant will help provide staff to organize focus groups, distribute surveys to assess neighborhood needs, establish six kids clubs in the two neighborhood schools, and begin systematically building intentional relationships and restoring the overall social health and wellbeing of the neighborhood.</p>
<p>Concho Valley Regional Food Bank Of Texas Inc San Angelo, TX http://www.conchovalleyfoodbank.org</p>	<p>Food 2 Kids Program</p>	<p>The Food 2 Kids program provides direct services to approximately 1,300 food-insecure, school-aged children within the Concho Valley Regional Food Bank service territory.</p>
<p>Cuidando Los Ninos Inc Albuquerque, NM http://www.clnkids.org</p>	<p>Achieving Healthy Behaviors in Homeless Families</p>	<p>Achieving Healthy Behaviors in Homeless Families addresses enhanced health education for physical and behavioral well being; increased physical fitness; and increased family services support for families who are homeless with young children. This program aligns with the dual education, two generation, education program offered by CLNkids.</p>
<p>Eagle Mount - Bozeman Bozeman, MT http://eaglemount.org</p>	<p>Adventure Days/Family Support</p>	<p>Adventure Days and family support programs provide outdoor healthy lifestyle choices for people with disabilities.</p>
<p>East Helena School District East Helena, MT https://www.ehps.k12.mt.us/</p>	<p>Good Behavior Game</p>	<p>The Good Behavior Game is an approach to the management of classrooms behaviors that rewards children for displaying appropriate on-task behaviors during instructional times. The class is divided into two teams and a point is given to a team for any inappropriate behavior displayed by one of its members.</p>

<p>El Pasoans Fighting Hunger El Paso, TX http://www.elpasoansfightinghunger.org</p>	<p>Mobile and School Pantries for El Paso County</p>	<p>Mobile and school pantries ensure access of healthy, nutritious food to El Paso area schoolchildren during vulnerable times such as weekends and evenings.</p>
<p>Erie Neighborhood House Chicago, IL http://www.eriehouse.org</p>	<p>Super H: Healthy Kids, Healthy Families</p>	<p>Erie House's Health and Leadership programs promote a culture of health and encourages participants to become leaders in the movement for overall well-being. The Super H programs provide children, youth and parents with health and wellness education and experiences resulting in improved community health outcomes.</p>
<p>Fab Lab Tulsa Inc Tulsa, OK http://www.fablabtulsa.org</p>	<p>#FLT2</p>	<p>Fab Lab Tulsa is expanding their impact by constructing a new 15,000 square foot facility in the Kendall Whittier neighborhood of Tulsa. This space will feature a main studio with innovative technologies, a dedicated learning studio for education programming, micro studios for small creative businesses, and an outdoor studio space for large projects. The workspace will be a creative think tank, a community living room, an industrial workshop, an informal classroom and art gallery.</p>
<p>First Choice Community Healthcare Inc Albuquerque, NM http://www.fcch.com/</p>	<p>South Valley Health Commons Health and Wellness Initiatives</p>	<p>First Choice Community Healthcare will provide a subsidized Community-Supported Agriculture program and monthly healthy cooking classes to patients. The goal is to provide affordable access to fresh fruit and vegetables, and interactive cooking classes to equip families with the information they need to make healthier choices.</p>
<p>Food Bank of Abilene, Inc. Abilene, TX http://www.fbwtct.org</p>	<p>Food Bank of West Central Texas Backpack Program</p>	<p>The Backpack for Kids Childhood Hunger Program provides weekly backpacks of healthy, nutritious, child-friendly foods to 1,240 chronically hungry children who return home on weekends to bare cupboards. Children will receive seven pound bags of food every Friday and before school holidays throughout the typical 36-week school year.</p>
<p>Food Bank of Eastern New Mexico Inc Clovis, NM http://www.foodbankenm.org</p>	<p>Eastern New Mexico Food Programs</p>	<p>The Food Bank of Eastern New Mexico is meeting immediate food needs but also working to address systematic change that will aid families and individuals in poverty. The Food Bank is adding health councils, human service organizations and nutrition educators to its network of partners to fight hunger while also promoting health in rural eastern New Mexico.</p>
<p>Food Bank Of The Rio Grande Valley Inc Pharr, TX http://www.foodbankrgv.com</p>	<p>Food Bank RGV: Moving Our Mission Forward</p>	<p>This grant will support general operations that will allow the Food Bank of the Rio Grande Valley to receive, store, inventory and distribute more than 20 million pounds of food on an annual basis.</p>
<p>Food Depot Santa Fe, NM www.thefooddepot.org</p>	<p>Mobile Food Pantry</p>	<p>The Food Depot's mobile food pantry program provides nutritious food to rural, isolated communities where there are high rates of hunger and poverty. The program engages the community by requiring community volunteers to organize and execute the food distribution. The program serves as an opportunity to develop partnerships with health care centers to provide health care screenings, immunizations and health information to underserved communities.</p>
<p>Galveston County Food Bank Texas City, TX http://www.galvestoncountyfoodbank.org</p>	<p>Healthy Food, Healthy Bodies, Healthy Communities</p>	<p>The Galveston County Food Bank will develop and implement a nutrition education program for both food donors and food bank partnering agencies. The goal is to improve the nutritious quality of donated foods and the overall health and well-being of Galveston County residents living in poverty.</p>
<p>Gary Comer Youth Center Chicago, IL http://www.gcyhome.org</p>	<p>GCYC Health and Wellness Initiative</p>	<p>The Gary Comer Youth Center's Health and Wellness Project provides a holistic set of health and wellness programming with the goal of increasing healthy eating, physical activity, health and nutrition literacy, social and emotional wellness and youth leadership and civic engagement among its youth and teen members and adults in the greater Grand Crossing community.</p>

Girls On The Run Of Southern Oklahoma, Inc Ardmore, OK http://www.girlsontherunsouthernoklahoma.org	Volunteer Training and Retention	This program will enable Girls on the Run of Southern Oklahoma to empower volunteers to impact girls' who participate in Heart & Sole and Girls on the Run by incorporating various strategies for recruitment, training and retention.
Global Gardens Tulsa, OK http://www.global-gardens.org	Family Food Farm Program	The Family Food Farm Program will serve 420 children and adults at three sites in 2018. The program aims to improve nutritional health for disadvantaged students by engaging their families in organic gardening and cooking. At each site, families will participate weekly work nights devoted to planting and tending family plots, harvesting fresh produce, and cooking healthy meals. This grant will provide support for staffing and program enhancements related to cooking and children's activities.
Greater Chicago Food Depository Chicago, IL http://www.chicagosfoodbank.org	Healthy Kids Markets	The Food Depository's Healthy Kids Markets is a school-based pantry providing fresh produce and shelf-stable food to families throughout Chicago. Healthy Kids Markets foster a sense of community and provide an outlet for school outreach to parents not engaged in their children's education, contributing to the betterment of the family's physical and emotional health.
Hamdard Center For Health And Human Services Nfp Addison, IL http://www.hamdardcenter.org	Health Education and Outreach	This grant will support outreach efforts and enhance the health and lifestyle of children and families throughout the Addison area by focusing on four areas: nutrition, disease prevention and management, physical activity, and supporting safe environments.
Hana Center Chicago, IL http://www.hanacenter.org	Senior Services and Public Benefits	The Hana Center's mission is to empower Korean American, immigrant and multi-racial communities through social services, community organizing, culture and education to advance human rights. Their senior services and public benefits programs improve the quality of life and maintain the dignity of older adults through volunteerism, education workshops and seminars and public health services.
Hanul Family Alliance Chicago, IL http://www.hanulusa.org	The Mobile Senior Congregate Meal Program in Lake County	The Mobile Senior Congregate Meal Program in Lake County program provides a safe and accessible place where Korean seniors residing in Lake County can not only enjoy a nutritious Korean meal, but socialize, take part in health seminars, physical activity and receive useful information on benefits and services.
Health and Medicine Policy Research Group Chicago, IL http://www.hmprg.org	The Learning Collaborative	The Learning Collaborative helps primary care and behavioral health providers develop strategies to better implement evidence-based models for integration of behavioral and physical care that will facilitate more effective utilization of available resources and expand the capacity of behavioral health and primary care providers to provide high quality, person-centered care to more people in need.
Healthy Mothers Healthy Babies-The Montana Coalition Inc Helena, MT http://www.hmhb-mt.org	LIFTS-Linking Infants and Families To Support	Linking Infants and Families to Support (LIFTS) expands the support system for new families in Montana who are expecting or have an infant. The program links families with hospitals, community-based parent support and education programs, and opportunities for parent-to-parent support.
Hearts For Hearing Foundation Oklahoma City, OK http://www.heartsforhearing.org	Hear from the Start	This grant will cover the cost of initial, diagnostic audiological evaluations as well as follow-up evaluations to diagnose hearing loss in babies and children through age five throughout the state of Oklahoma. As a part of their mission, Hearts for Hearing covers the cost of all initial diagnostic testing to ensure that every child with hearing loss in Oklahoma has the opportunity to learn to listen and talk.
Houston Food Bank Houston, TX http://www.houstonfoodbank.org	Backpack Buddy program	The Houston Food Bank's Backpack Buddy program provides child-friendly and nutritious food to children at-risk of hunger by discreetly distributing healthy food sacks on Friday's during the school year. This grant will help expand the program to serve more children at additional sites in Houston Food Bank's 18-county service area.

I Grow Chicago NFP Chicago, IL http://www.igrowchicago.org	Justice-Based Yoga for Youth and Healing	I Grow Chicago creates opportunities for adults to teach yoga to youth and children, providing students with positive role models from within their community. By introducing yoga as a coping mechanism for trauma caused by exposure to violence, young people can gain the skills needed to reduce stress in a healthy manner, regulate emotional responses, improve concentration, and increase empathy.
Infant Crisis Services Oklahoma City, OK http://www.infanterisis.org/	Safe Sleep, Safe Travels	Safe Sleep, Safe Travels will provide the equipment and education needed to ensure the safety of babies and young children who live in poverty. The program will provide new Pack-n-Plays to 125 babies who sleep in unsafe conditions and education materials for parents about safe sleep for babies. In addition, they will offer age-appropriate car safety seats to 498 babies and young children. Their parents will receive hands-on help on the proper installation of car seats and educational materials to take home to reinforce the lessons learned.
Institute for Nonviolence Chicago Chicago, IL http://www.nonviolencechicago.org	Nonviolence Chicago	This grant supports a comprehensive approach to addressing the cycle of violence in communities experiencing high rates of violence. Through street outreach connected to victim services, Nonviolence Chicago seeks to provide a range of services to those perpetrating and victimized by violence.
It's Time Texas Austin, TX http://www.activelifehq.org	Connecting Communities for Health	IT'S TIME TEXAS impacts the health of Texas children and families through evidence-based programs and resources. They connect people to health-related education; increase awareness of and access to healthy opportunities; and provide resources for healthier and safer environments.
Jardin De Los Ninos Incorporated Las Cruces, NM http://jardinlc@org	Food Basket Program	Jardin de los Ninos provides the homeless and near homeless children and their families with food baskets for the weekend and holidays when they would not otherwise have food.
Jewish Federation Of Metropolitan Chicago Chicago, IL http://www.juf.org	Response Center	The Response Center holistically supports the physical and mental development in teens and young adults and helps equip them to make healthy life choices, reduce risk-taking behaviors and prepare for a healthy and productive future.
KaBOOM! Washington, DC http://www.kaboom.org	2017 Playgrounds	KaBOOM! playgrounds help increase physical activity and spread the word about the importance of play. Through this grant, eight KaBOOM! playgrounds, five shade structures and two Imagination Playgrounds were built in 2017 serving 20,477 children annually.
Kids' Meals Inc Houston, TX http://www.kidsmealshouston.org	Daily Nutrition Feeding Program	Kids' Meals helps to alleviate the burden faced by families who have little means of obtaining meals for their young children on a regular basis due to issues with transportation, hardship and time.
Mano A Mano Family Resource Center Round Lake Park, IL http://www.manoamanofamilyresourcecenter.org	Healthy Families Program	The Healthy Families Program builds the community's knowledge base of and confidence in engaging issues such as nutrition, obesity, and diabetes. Mano a Mano's community health workers offer small group education workshops on health topics and connect community members to health resources. Healthy Families also improves access to clinical services by working with local health partners to connect community members with subsequent health screenings and appropriate medical follow-up, as well as casework and application assistance.
Mercy Health Foundation Oklahoma City Oklahoma City, OK http://www.mercy.net	The F.U.N. Project (Fitness, Understanding Health & Nutrition)	The F.U.N. Project is a partnership between Mercy Hospital and the Oklahoma City Boathouse Foundation to provide high-quality wellness programming to underserved children and families in Oklahoma City.

Metropolitan Family Services Chicago, IL http://www.metrofamily.org	Child and Adolescent Mental Health Program	Metropolitan's Child and Adolescent Mental Health program (CAMH) provides comprehensive services for children and youth, ages 3 through 17 years, who face serious emotional and behavioral disorders, and mental illness. CAMH promotes individual growth; strengthens family life; maintains the function of the family; assesses further symptom development; and prevents hospitalization and institutionalization.
Migrant Health Promotion Inc (MHP Salud) Weslaco, TX http://www.mhpsalud.org	Vivir Una Vida Plena (Live a Fulfilling Life)	Through a partnership with Nuestra Clinica del Valle, a federally qualified health center, this program provides comprehensive one-on-one, culturally and linguistically competent education and support to underserved individuals of Hidalgo and Starr Counties who are at high risk for or in the early stages of chronic diabetic kidney disease.
Mikva Challenge Grant Foundation Inc Chicago, IL http://www.mikvachallenge.org	Chicago Youth Health Activism Initiative	The Chicago Youth Health Activism Initiative is a grassroots teen health initiative that engages 470 youth through 40 school-based Youth Wellness Teams across the city. The Teams assess the health environment at their schools, advise school administrators on health policies, educate their peers, and propose and implement solutions to improve their schools' health environment surrounding issues such as nutrition, physical activity, sexual and mental health and other health issues important to young people.
Mission Marshall Inc Marshall, TX http://www.feedingmarshall.org	Healthy Kids Healthy Families	This grant will enable the Food Pantry to offer healthy and nutritious foods to food-insecure families and individuals in Harrison County.
Montana Children's Trust Fund Helena, MT http://www.childrenstrust.mt.gov	Breakfast after the Bell	This grant will allow Montana No Kid Hungry to award grants to schools implementing new breakfast programs or transitioning to breakfast models that increase participation (such as Breakfast in the Classroom or Grab n' Go). Breakfast after the Bell programs will be self-sustaining thereafter. This support will remove an obstacle that many schools face by providing a nutritious breakfast to their students and allowing kids to learn and reach their full potential.
Morton Comprehensive Health Services Tulsa, OK www.mortonhealth.org	Oral Healthcare for Expecting Moms	pregnant women. Experts agree that oral health care is an essential component of prenatal care. Following best practices, this program will provide primary dental care in coordination with all prenatal care offering dental screens, clinical exams, preventive cleanings and oral health care treatment, alongside oral health education to help prevent periodontal diseases and to sustain the overall health of the expecting mother and her baby. Morton will offer 248 oral health care encounters to uninsured expecting mothers in 2018.
Mountain-Pacific Quality Health Foundation Helena, MT http://www.mpqhf.org	Reducing youth suicides through a targeted awareness campaign	This funding will support the development of a youth-targeted suicide and mental health awareness campaign.
Mujeres Latinas en Accion Chicago, IL http://www.mujereslatinasenaccion.org	Proyecto Juventud (Project Youth)	Proyecto Juventud (Project Youth) provides a safe and healthy environment for students that incorporates physical and mental health, violence prevention and academic enrichment.
National Kidney Foundation Serving North Texas Dallas, TX http://www.nkft.org	KEEP HEALTHY TEXAS	The Keep Healthy Texas project identifies individuals at-risk for Chronic Kidney Disease (CKD) and provides subsequent care to reduce risk-factors and prevent progression of CKD.
New Mexico State University Foundation Las Cruces, NM http://foundation.nmsu.edu	Program IHEALTH: Intergenerational Health Education and Active Living Training for Homes	IHEALTH will improve the nutritional health and physical activity rates of multiple generations of southern New Mexico's Native American and Latino families, ensuring healthier lifestyle behaviors that set families on the path to lower rates of obesity, diabetes and other chronic conditions.

NM Lions Crane Reading Program Inc Las Cruces, NM	Optometry Services	This grant will provide comprehensive eye exams and eye glasses for 65 people who are either underinsured and not insured.
North Texas Food Bank Dallas, TX http://www.ntfb.org	General Operations	This grant will provide access to 30,000 nutritious meals and education to food-insecure families in North Texas.
Northern Illinois Food Bank Geneva, IL http://www.solvehungertoday.org	School-Based Pantry Program	The School-Based Food Pantry Program develops food distribution sites within the familiar setting of a local school to address child food insecurity and provides nutritious meals to children and their families.
OASIS Albuquerque Albuquerque, NM http://www.oasisabq.org	Fit and Free from Falls Program	OASIS Albuquerque serves older adult families in the Albuquerque metro area by promoting and providing a comprehensive Fit and Free From Falls curriculum to include physical activity programs and the evidence-based Matter of Balance program.
Oklahoma Caring Foundation, Inc. Tulsa, OK http://www.oklahomacaringfoundation.org	Caring Van Program	This grant will support a new Caring Van that will serve as a mobile immunization clinic.
Oklahoma State University Foundation Stillwater, OK http://osugiving.com	OSU-CHS Project ECHO (Extension for Community Healthcare Outcomes)	Through weekly videoconferences, Project ECHO trains and mentors primary care providers to care for patients with complex conditions. Specialists share their expertise with primary care providers on a continued basis until the primary care providers develop the necessary specialty knowledge to care for their patients. This enables primary healthcare providers in rural and underserved communities to provide specialized care and treatment in their own practices rather than having to refer their patients to medical specialists in other communities.
Pajarito Environmental Education Center Los Alamos, NM http://www.pajaritoeec.org	Nature Playtimes for Healthy Development	The Pajarito Environmental Education Center and the New Mexico Wildlife Center will expand the Nature Playtimes program, which develops healthy, active habits in young children that will last a lifetime.
Playworks Education Energized Chicago, IL 60642	Playworks Illinois	Playworks' mission is to improve the health and well-being of children by increasing opportunities for physical activity and safe, meaningful play. The program teaches students important skills like conflict resolution, teamwork and empathy on the playground and in the classroom, and their goal is to reach as many schools as possible in Illinois to help them achieve healthy play and empower them to continue the Playworks model on their own.
Regional Food Bank of Oklahoma Oklahoma City, OK http://www.regionalfoodbank.org	Healthy Pantry Initiative	The Healthy Living Pantry Initiative is based on the development and implementation of a system-wide nutrition policy and healthy pantry resources to help Oklahomans who struggle with hunger have the nutritious food resources they need.
Rocky Boy Schools Box Elder, MT http://www.rockyboy.k12.mt.us/	Healthy Kids, Healthy Families Program	Rocky Boy Schools will promote healthy living among youth by implementing an after school and summer gardening and hiking program. This will include education, guest speakers and sharing participant stories and results with the entire community.

San Antonio Food Bank San Antonio, TX	Food IQ	The Food IQ initiative seeks to improve the well-being of clients and their children in San Antonio. It uses an effective array of programs and collaboration techniques to address prevalent health issues in the community including diabetes, hypertension and obesity.
San Juan Regional Medical Center, Inc. Farmington, NM http://www.fullengagementtraining.com	Healthy F.E.T. Kids	The Healthy F.E.T. Kids program addresses the health and wellness lifestyle needs of underserved, low-income, rural, multi-ethnic, school-aged students and their families in San Juan County. This grant will support training and supply additional schools, their staff, students and their families with science-based healthy living principles.
Saranam Albuquerque, NM http://www.saranamabq.org	Saranam	Saranam is an innovative two-generational program that guides homeless families to achieve long-term self-sufficiency. They provide safe, stable and fully furnished transitional housing in an intentional community to give families the capability to concentrate on breaking down the barriers to more secure futures. With these needs met, families have up to two years to focus their efforts on education, vocational development and career goals.
Shannon Medical Center San Angelo, TX http://www.shannonhealth.com	San Angelo Diabetes Coalition Initiative	Through collaboration and partnerships, the San Angelo Diabetes Coalition addresses health and wellness in the San Angelo community by implementing strategies that focus on nutrition, physical activity and disease management. The Coalition provides education and services to engage members of the community in adopting healthy behaviors to prevent and manage chronic kidney disease.
Sinai Health System Chicago, IL http://www.sinai.org	CHAMP: Controlling Hyperglycemia Among Minority Population	This grant will assist in reducing the burden of uncontrolled diabetes among people who live in economically disadvantaged areas surrounding Mount Sinai Hospital. The efficacy of intervention delivery by cell phone text messages to improve glycemic control and increase health care utilization among the participants will be tested with a goal to determine the most cost-effective method of health education delivery that will produce maximum desirable outcomes.
Southeast Texas Food Bank Beaumont, TX http://www.setxfoodbank.org	Backpack Program	The Backpack program provides nutritious meal supplements on weekends and holidays during the school year to help maintain the physical health, emotional well-being, and academic focus of public elementary school students from low-income families.
Southern New Mexico Diabetes Outreach Las Cruces, NM snmdo.org	Diabetes Outreach	In partnership with BCBSNM's Care Van program, this project provides diabetes prevention, screenings, education, support and health resources to individuals living in the Las Cruces area.
Special Olympics New Mexico Albuquerque, NM http://www.sonm.org	Health and Wellness Initiatives	Special Olympics New Mexico (SONM) Health and Wellness Initiatives help create a structure for athletes and their families to be active, get educated and live healthier and happier lives. SONM's Young Athletes, Unified Champion Schools and Healthy Athletes Initiatives instill the importance of being physically active from an early age, and create opportunities for individuals with intellectual disabilities to be active in the school setting and get free health screenings and education.
St. Felix Pantry Inc Rio Rancho, NM http://www.stfelixpantry.org	St. Felix Pantry Good Eats Program	This grant will support St. Felix Pantry's outreach program -- St. Felix Pantry Good Eats Program -- and will help combine resources to have a greater impact on the effects of hunger especially among children attending Puesta Del Sol Elementary School located in Rio Rancho, New Mexico.
St. Martin's Hospitality Center Albuquerque, NM www.smhc-nm.org	Hope Found: Ending Homelessness, One Family at a Time	The Hope Found program is a Housing First, rapid re-housing program designed to move homeless families into housing and self-sufficiency.

<p>State Of Texas Kidney Foundation San Antonio, TX http://www.txkidney.org</p>	<p>Comprehensive Kidney Care</p>	<p>Comprehensive Kidney Care is a program of the Texas Kidney Foundation designed specifically to improve health outcomes of individuals who are unaware they are at risk for, or have, the early stages of CKD and CDKD. This program raises community awareness, provides free screenings and educates patients, families and caregivers, in an effort to stop, or even reverse, the long-term, costly effects of this disease.</p>
<p>Strengthening Chicago's Youth (SCY) Chicago, IL http://www.scy-chicago.org</p>	<p>Juvenile Justice Collaborative</p>	<p>Strengthening Chicago's Youth (SCY) at Lurie Children's Hospital is convening youth service providers and government stakeholders in Cook County and leading the implementation of a new care coordination model for justice-involved youth to minimize further involvement in the justice system and reduce racial disparities. The Juvenile Justice Collaborative (JJC) represents an opportunity to develop, test and spread a policy innovation for the juvenile justice system.</p>
<p>Sweet Water Foundation Chicago, IL http://www.sweetwaterfoundation.com</p>	<p>Apprenticeship & Outreach Program</p>	<p>Sweet Water Foundation's Apprenticeship and Outreach Program (AOP) empowers youth to transform 'blighted' spaces into healthy, sustainable community assets that produce locally-grown food and safe spaces. AOP youth engage in the revitalization of their community while gaining critical job and life skills, and receive essential nutrition, health and well-being education that they, in turn, share with local residents via the weekly farmer's market, workshops and events.</p>
<p>Tarrant Area Food Bank Fort Worth, TX http://www.tafb.org</p>	<p>Food for Kids</p>	<p>Tarrant Area Food Bank's Food for Kids program is a targeted initiative to provide nutritious food and education through an integrated suite of programs, alleviating hunger and malnutrition while improving community health. The Food Bank will utilize partnerships with schools and other nonprofits to deliver food and education to underserved school children.</p>
<p>Texas Medical Association Foundation Austin, TX http://www.tmaf.org</p>	<p>Walk with a Doc Texas</p>	<p>Walk with a Doc Texas provides Texans with life-saving education and resources to reduce their risk for COPD and CKD and better manage/improve these conditions through an easy, free and sustainable model for regular physical activity.</p>
<p>The Board Of Trustees Of The University Of Illinois Chicago, IL http://www.midamericacph.com</p>	<p>CeaseFire Illinois South Shore Program</p>	<p>The South Shore CeaseFire violence prevention program will apply Cure Violence/CeaseFire's unique health-based approach to reduce shootings and homicides and increase engagement in positive, non-violent behaviors among those at highest risk, thereby creating a safer community living environment</p>
<p>Tulsa CARES Tulsa, OK http://tulsacares.org</p>	<p>Hepatitis C Care Coordination Pilot</p>	<p>Tulsa CARES will pilot a Hepatitis C (HCV) care coordination program for one year, in an effort to model best practices for HIV/AIDS care coordination already in place. Program objectives will include community education, testing, linkage to care and social services referral and follow up. The goal is to better identify newly positive individuals and facilitate care and treatment for underserved individuals. This will improve quality of life, reduce the economic impact of emergency care down the road, and greatly reduce the chances of passing the virus to others.</p>
<p>Tulsa Children's Museum Tulsa, OK http://www.tulsachildrensmuseum.org</p>	<p>Discovery Lab</p>	<p>Discovery Lab will develop and implement professional development for Tulsa area teachers working in areas with low socioeconomic levels and poor health outcomes. The strategies taught in the professional development sessions will increase physical activity in the classroom during the instruction of science, technology, engineering, and math (STEM) content.</p>
<p>Tulsa Community Foundation Tulsa, OK http://www.tulsacf.org</p>	<p>The Gathering Place</p>	<p>This grant supports the construction, maintenance and operations of A Gathering Place for Tulsa, LLC, a one hundred acre park along the Arkansas River in the center of Tulsa, OK.</p>
<p>UCAN Chicago, IL http://www.ucanchicago.org</p>	<p>UCAN North Lawndale Violence Prevention and Trauma Treatment Project</p>	<p>UCAN believes that a key to solving the public health crisis of community violence can be found in healing individual exposure to complex trauma. Through clinical and youth development services delivered collaboratively, they heal young people, reduce arrest, and increase access to care.</p>

University of New Mexico Albuquerque, NM	Pediatricians On Wheels	Pediatric residents-in-training, in collaboration with the UNM Young Children's Health Center, plan to deepen and enhance community engagement efforts by providing a range of programs requested by parents during community forums held across greater Albuquerque.
West Texas Food Bank Odessa, TX http://www.wtxfoodbank.org	Feeding Hungry Families	West Texas Food Bank (WTFB) partners with 75 nonprofit organizations and works to alleviate hunger in 19 counties of West Texas. WTFB procures, processes, sorts, repackages, and then distributes food to these partners to give to those in need.
Wichita Falls Area Food Bank Wichita Falls, TX http://wfafb.org	Nutrition Education Services	The Wichita Falls Area Food Bank operates its Nutrition Education Services for food-insecure families in the food bank's 12-county service area. This grant will help maintain and expand current nutrition education activities that work toward creating healthier kids and families and reducing food insecurity
Young Mens Educational Network Chicago, IL http://www.ymenchicago.com	The Chicago LOUP: Lawndale Organizations United for Peace	The Chicago LOUP brings together 4 collaborating agencies (YMEN, Lawndale Amachi Mentoring Program, Lawndale Christian Legal Center, and CWSCS School) to work to eradicate violence, build healthy environments and promote peace by creating four large-scale impact events and bring more than 50 neighborhood leaders together in a monthly relational building cohort called the Lawndale Restorative Justice HUB.
Youth & Family Resource Center Inc Shawnee, OK http://www.yfrcshawnee.org	Partners in Caring Coordinated School Health Initiative	This initiative supports the three School Based Social Specialist (SBSS) positions in Pottawatomie and Lincoln Counties. These positions are critical to ensuring Partners in Caring health related services are effectively coordinated. Three SBSS positions are allocated to seven school districts within the two county area.
Youth Guidance Chicago, IL http://www.youth-guidance.org	Becoming A Man (BAM) & Working on Womanhood (WOW)	Youth Guidance will invest in the expansion and research readiness of its two highly successful school-based counseling programs, Becoming A Man (BAM) and Working on Womanhood (WOW), enhancing the health and wellness of students from at-risk communities throughout Chicago. BAM and WOW are school-based, cognitive behavioral therapy (CBT) counseling programs that develop the gender-specific social-emotional competencies of students in grades 7-12.
