

Who We Are

Health Care Service Corporation (HCSC), a Mutual Legal Reserve Company, is the country's largest customer-owned health insurer. We operate through Blue Cross and Blue Shield Plans in Illinois, Montana, New Mexico, Oklahoma, and Texas and are an independent licensee of the Blue Cross Blue Shield Association. Our affiliates and subsidiaries, such as Dearborn Group, Innovista, Medecision and Prime Therapeutics provide comprehensive care through life, disability and dental coverage.

What We Do

We are deeply rooted in the communities we serve to help all Americans get access to quality, affordable health care. As a customer-owned health insurer, we're owned by our policyholders, not stockholders, which allows us to focus solely on customer needs and not worry about shareholder expectations. For more than 80 years, we've been there for our members through all stages of life, in every zip code across all 50 states, the District of Columbia and Puerto Rico.
